

Dear Parents and Prospective Parents of Lubavitch on the Palisades Preschool, Tenafly Chabad Academy, Gan Or Daycare and Camp Gan Israel,

Safety will always be our number one concern and we will do everything to protect those that come to our school and camp each day, knowing they can feel safe and secure.

We firmly stand by our immunization policy which remains as follows:

- We do not accept religious exemptions for MMR for the current 2018-2019 school year.
- Beginning June 24, 2019, we will **not accept religious exemptions for ALL vaccinations**. We require **ALL OUR STUDENTS, CAMPERs AND FACULTY to show proof of vaccination**.
- According to the State of NJ, Department of Health in Trenton, by law we must accept medical exemptions. A medical exemption **MUST** be based upon valid medical reasons as enumerated by the Advisory Committee on Immunization Practices (ACIP) or the American Academy of Pediatrics (AAP) guidelines.

Each medical exemption will be reviewed immediately by our School Nurse who works in conjunction with the State of NJ, Department of Health to receive an approval.

For detailed information provided to us by the State of NJ, Department of Health regarding the medical exemption rule, please [click here](#).

Currently, we do not have any children in our school or camp with medical exemptions.

We look forward to welcoming all children to our school and camp in safety and good health.

If you have any further questions or concerns, we will gladly address and answer them. Please feel free to call us at 201-871-1152, Option 5, x500.

With all best wishes,

Rabbi Mordechai Shain

Executive Director

Lubavitch on the Palisades
